YOUR FRIENDLY GUIDE TO GETTING INVOLVED**

IUGG

**International Association
of Geomagnetism and Aeronomy**

WELCOME!

We gladly invite you to learn more about IAGA and participate in any of our Divisions, Commissions, and Working Groups! We are always excited to welcome new participants to join our activities or even initiate new projects within our topical areas.

Welcome to our webpage: <https://iaga-aiga.org/>

CONTACTING US IS EASY!

We invite you to connect with the Working Groups, Division, or Commission chairs of your choice by emailing them directly. Explore the diverse groups that interest you by visiting:

HOW TO ENGAGE?

A great way to get involved is by attending the business meetings of the Working Groups, Divisions, or Commissions that interest you during the scientific assemblies. The next meeting will be the Joint IAGA-IASPEI Assembly in Lisbon in 2025. For more information, visit: <https://iaga-iaspei-2025.org/>

SOME MORE DETAILS

The activities of Working Groups, Divisions, and Commissions vary. Some have ongoing initiatives, dedicated websites, and mailing lists, while others primarily organize sessions at scientific meetings and additional topical workshops in between.
